MI ® **MEASUREMENT** INCORPORATED

Goals of this Quick Guide

- Provide an overview of Screencastify

- Share advantages

- Share different ways to use it

- Offer resources for further exploration

How It Works

Recording & Sharing Options
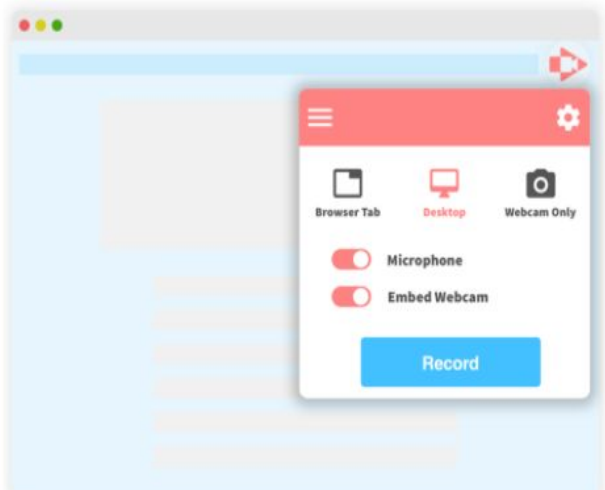

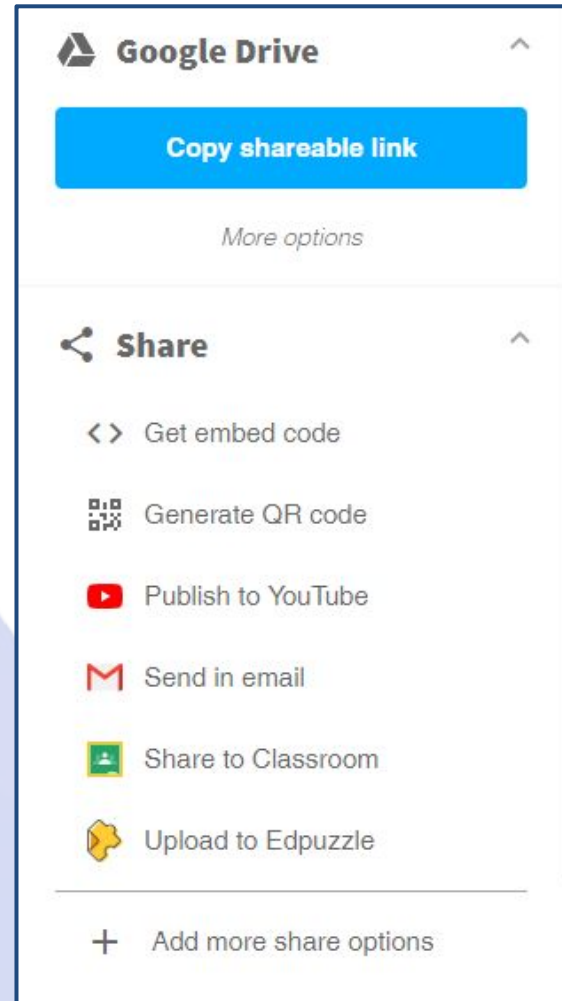

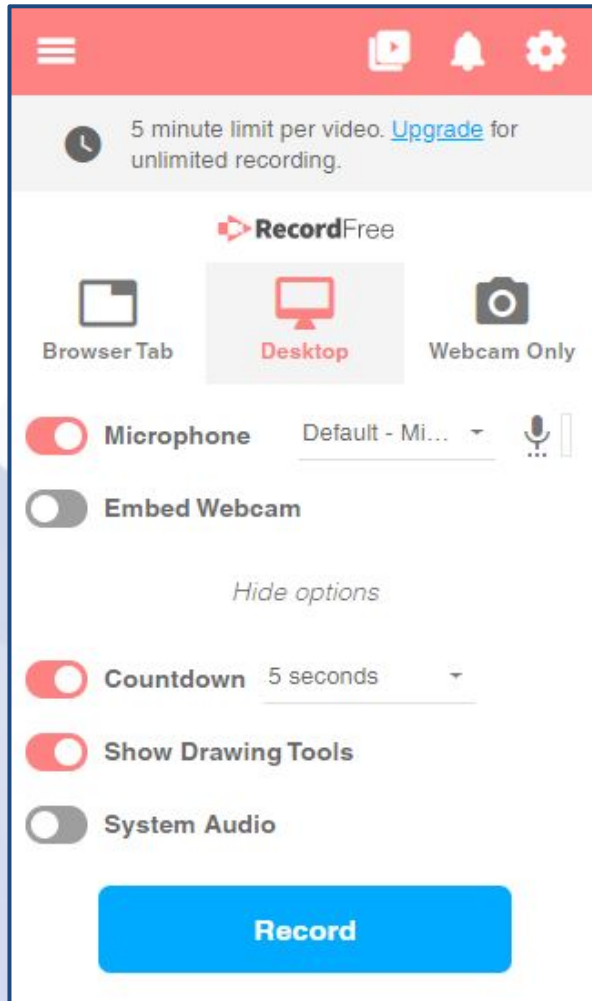

Tools While Recording

Located: Lower left-hand corner of screen

Ways Teachers Can Use Screencastify

- Short mini-lessons for students

- Weekly overview of learning

- Communication with parents

- Communication with colleagues/teammates
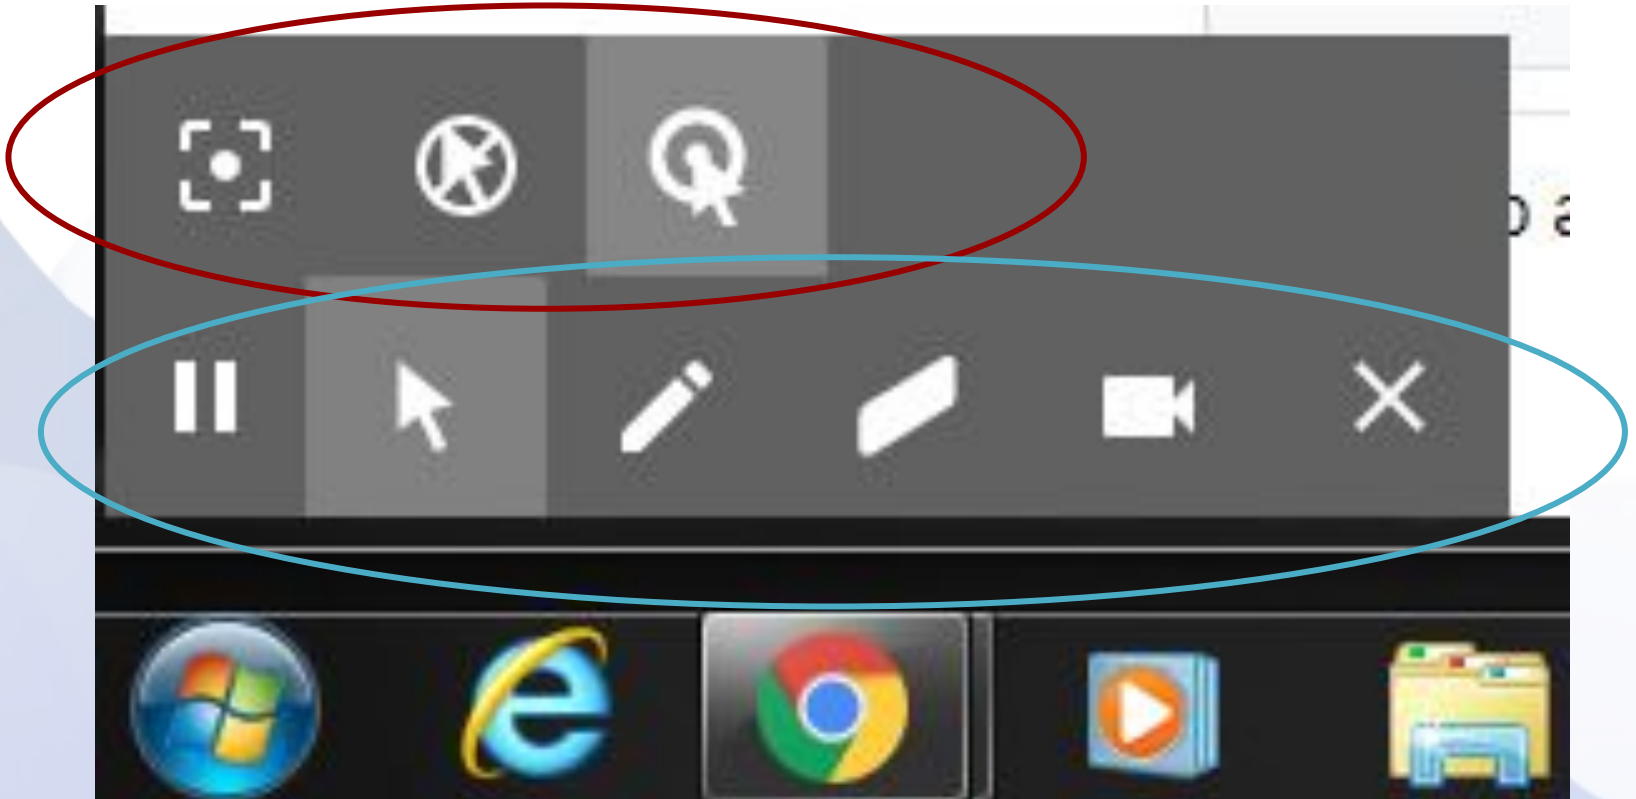

- Communication with administrators

Now . . .

Limitations, cautions, risks…

- Be sure to teach digital literacy to students

- Uses Google Drive space
    - Recommend to delete periodically or download videos to store long term

- Up to 5 minutes free video ($29 yearly)
